presents an ***EARLY CARE AND EDUCATION WORKSHOP***

“Birds gotta sing, fish gotta swim” and kids gotta MOVE: Gross Motor Development (CEU***)

Faliure to meet children’s varied needs for movement prevents them from having experiences fundamental to their intellectual, social and physical development. Children, including those with differing abilities need to have movement indoors and out. We will analyze environments, the curriculum and the value we place on physical activity so all children have the opportunity to MOVE.
